Q&A

Sales & Services Revenue & Sales Volume

Asphalt Business

- Following continuation of the Company's "selective market sales" strategy, total sales volume in Q3 2022 remained constant
- Due to increases in selling price of asphalt products which resulted from global oil price hike, sales and services stood at Baht 7,449 million, reflecting an increase of 20.4% from Q3 2021

Construction Business

- Revenue from construction contracts stood at Baht 828 million, reflecting an increase of 22% from Q3 2021. This was resulted from continuing increase in construction and road maintenance income, in particular the 3rd runway construction project at the Suvarnabhumi International Airport.
